Key Market Insights from the report:

Global Dental Equipment Market accounted for US\$ 6.6 billion in 2020 and is estimated to be US\$ 20.60 billion by 2030 and is anticipated to register a CAGR of 12.3%. The Global Dental Equipment Market is segmented based on Product, Application and Region.

- Based on Product, Global Dental Equipment Market is segmented into dental hand instruments, dental radiology equipment, dental lasers, dental imaging equipment, dental CAD/CAM equipment, sterilization equipment and dental chairs.
- Based on Application, Global Dental Equipment Market is segmented into hospitals, dental clinics, E-Commerce websites, online pharmacy and retail pharmacy.
- By Region, the Global Dental Equipment Market is segmented into North America, Europe, Asia Pacific, Latin America, Middle East & Africa.

Competitive Landscape & their strategies of Global Dental Equipment Market:

The prominent players operating in the Global Dental Equipment Market includes, 3M EPSE, A-dec Inc., CareStream Health Inc., Straumann, Envista Holdings Corporation, Biolase Inc., Dentsply Sirona, BioHorizons, Dentatus, Henry Schein Inc., 3M, Danaher Corporation, Align Technology, J. MORTIA CORP, Planmeca Oy, Patterson Companies Inc., GC Corporation, Ultradent Products, Inc, 3Shape A/S and Others.

The market provides detailed information regarding the industrial base, productivity, strengths, manufacturers, and recent trends which will help companies enlarge the businesses and promote financial growth. Furthermore, the report exhibits dynamic factors including segments, sub-segments, regional marketplaces, competition, dominant key players, and market forecasts. In addition, the market includes recent collaborations, mergers, acquisitions, and partnerships along with regulatory frameworks across different regions impacting the market trajectory. Recent technological advances and innovations influencing the global market are included in the report.
